“ I'm so sad to hear about Marjorie's passing. I worked with her for many years at Offray in NJ and have some very vivid memories of her. She was a woman with "presence" and ran the office with a strong hand, a sense of humor and many instances of compassion for the needs of staff members. I will miss talking with her and reminiscing about the unique work situation we shared. My sincere condolences to all her family. Irene Vincent

“ Dear Allen family, I am very sorry for your loss. The Bible can give us much comfort during difficult times like these. In Psalms 34:18 it says "Jehovah is close to the broken-hearted and those who are crushed in spirit he saves." We can be sure that God does care for us!
