“ Marge was loved very much by my father in the years they had together, and she was a part of our family. We appreciated her kind and caring ways, as well as her feistiness and sense of humor. Time and distance may have made us less close physically in recent years, but we always had, and will continue to have, a special place in our hearts for her. Condolences to her children, grandchildren, and other family members.

“ Our deepest condolences for your loss. Aunt Margie was a special lady, and her personality was timeless. She was a sharp cookie, and we enjoyed spending time with her when she would visit Carol and Alex, as well as when we visited while in Florida. -Scott & Deb

“ Will forever remember Aunt Marge for her honesty and fun loving spirit. She was such a dynamo when we were growing up and memories of the house in Baldwinsville and her homemade pies and the trips out for hot fudge sundaes will always remain a special part of me. Rest in peace Aunt Marge. May God bless you.

“ What we loved the most about Aunt Margie was her honesty. She would tell it like it was and you always knew where you stood with her or her opinion of something. If she wasn't watching Wheel of Fortune, Jeopardy, or the Price is Right, she was reading a book, no doubt a drama or a romance... Filled with love and intrigue (as she would say). She would spend hours in a grocery store, or Wal-Mart reading all of the labels on the items she wanted to purchase. The grocery store was her library. She had a great sense of humor and a beautiful smile. We learned a lot from Aunt Margie, an inspiration to both of us. God speed. You will always be our sunshine and only sunshine. Love Alex, Carol and Macy Moroz
