“ *Happy birthday, Marie; you were the very best mother in law, friend, and grandmother to our children! Thank you so very much for being so delightful, cheerful, graceful, loving, kind, and a positive role model and a wonderful person all the way around! Your son; my beloved husband Kenny joined you on June 17, 2021; leaving me heartbroken! Now, the 2 of you can rejoice in the Kingdom of Heaven! I love you and miss you more than words could ever say!*
