“ *My dear Marie,I have so many things that I would like to say, I don't know where to start. But please rest knowing that they are all from my heart.I want to remember you with that great big smile you smiled all the days, you're ever so kind, friendly and caring ways.I know you never met anyone that wasn't an immediate friend,and now you've left us bringing all that goodness to an end.We all love you Marie, so very very much,we will pray for you and keep in touch.I find peace for myself and I pray others do too, knowing, KNOWING,you are resting now, God, angels, saints and YOU! Its hard for all of us not to be so very sad, when we lose one of the best friends that we've ever had..... Rest well Marie*

“ I will always remember Mom's love and guidance in all our lives. I would not be the person I am today without her example as a wife, a mother, and a person.

“ Mom, You never met a stranger and made the room light up when you walked in. You were such an amazing, courageous and strong woman. I am so very proud of all of your accomplishments throughout your life. I will cherish forever in my heart all of our numerous bowling tournaments with side trips all those years. You are so loved and what an emptiness I feel without you. Love you forever to the moon and back. I hope you hear all of those strikes I get every week. Miss you and love you.
