Marie Murray, 95, was born on December 19, 1924 in Wetzlar, near Frankfurt Germany to the late Margarete and Frantz Odenwald and passed away July 05, 2020 in Ocala, Florida. In 1951 Marie met and married Marlin Murray in Wetzlar, Germany. They settled in Yuma, AZ where they lived from 1951-1964. Marie served as a bookkeeper for a dentist office. Her English and bookkeeping skills later brought her to the office of the U.S. military where she met her husband. Upon the arrival of her new home with her husband, Marie worked for a local bank, as her husband served his country as an electrical engineer with the civil service until his retirement. After 13 years in Yuma, AZ they decided to move closer to Marlin's aging parents in Pennsylvania, where they settled into their lovely home in Sunbury, PA. In the new town Marie worked for Montgomery Ward as a bookkeeper, where she became dearest friends with Joyce Dell. In 1989, Marie and her husband decided to move to Ocala, FL for warmer weather. In 1992 Marie and her dearest friend Joyce both lost their husbands. As Marie aged, she decided to live in a continuing care facility by the name of Waterman Village December of 2012. Shortly after her arrival Marie met a new friend by the name of Sirlinda. Marie enjoyed her new home and the thoughts of her first Christmas there gave her great delight. Marie volunteered in the Village Variety shop, where she enjoyed meeting and greeting new people. Marie was preceded in death by both parents and her husband, Marlin Murray. Marie is survived by her brother Walter, his wife, and her brother's three children. (Walter's oldest daughter had the pleasure of

interviewing her auntie Marie.) Marie will be missed by her family and friends.
