“ My heart is aching for all the children and grandchildren of Marilyn as well as her other family members and friends. This is a huge loss. She loved her children and grandchildren unconditionally and was always eager to attend any event for the kids and participate as much as she could. As her co-grandmother to Ronnie and Brooke I felt a strong connection as grandmother's that tried to do what we could to make them feel loved and secure with family bond and attempt to prepare them for life. We became friends before Ronnie was born and she was at hospital for both births. The Christmas when Ronnie was born was a joyous occasion with all the Guadagnos' including the great-grandparents sharing this wonderful time with us. Best Christmas memory ever.....with four generations and all the uncles and aunts coming by. We will miss her and the kids are going to have a tough time dealing with her loss.
