

Mark Liebig

September 26, 1958 - July 7, 2016

On July 7, 2016, Mark Steven Liebig passed away peacefully in his sleep. Born September 26, 1958 in Brooklyn, New York but resided in Florida with his family, Mark was a wonderful man. He was predeceased by his parents Martha and Norman, whom he missed very much. Survived by his wife Donna of 30 years, she was his world, he loved her with all of his heart. Mark leaves behind three children, Cassy, Marlana and Robert, whom he showered with unconditional love. He doted on his nine grandchildren and enjoyed being a caring grandfather to them all. Mark and his siblings Robin, Walter and Mike didn't always see eye-to-eye but he remembered that blood is thicker than water and he loved them more than anything. In addition, Mark had a unique relationship with his Aunt Lutie whom he adored. They were always there for each other. He opened his heart to his daughter's husband Josue and Son's fiance Cassie. Mark loved the open road and was a driver his whole life, always working hard to better himself and those around him. When Mark wasn't working or spending time with family he enjoyed playing poker with good friends. He was very much into politics and could discuss this subject with anyone at any time. We find comfort in knowing he is no longer in pain. Mark Liebig will be sorely missed by family and friends even strangers whose lives he touched.

“ *Mark I will miss you very much.. we had our differences. But that just meant we were blood. You have left a whole in my heart that will be filled. So go with God and be at peace. And give mom and dad a hello from me.*

“ *Dear Liebig family, I am very sorry for your loss. The Bible gives us a wonderful hope for the future. In Revelation 21:4 it says "He will wipe out every tear from their eyes and death will be no more. Neither will mourning nor outcry nor pain be anymore the former things have passed away."*
