JB

“ I met Mark through our passion for fantasy football. We competed against each other for many many years and was lucky enough to have been able to connect with him on a visit to Florida. My prayers go out to his family. He was too young for sure.

“ So sorry for your loss Erin. Mark was a great and funny person. I worked many years with him at the Star Banner. He will be missed by family and friends. I was shocked to read about his passing.

“ I am sorry to hear of the passing of friend Mark Nulty. Mark was a good man and I know that he loved his family and that he had many friends all over the world. Mark's passing was a shock to me and I am sorry to see him leave us. I will remember him always with fondness and I wish his family some measure of comfort in their time of sorrow. Rest in Peace sir.
