“ *Derek and Mark,*

I was very saddened to hear of Marlene's passing today. My thoughts are with you during this difficult time. I have many fond memories with Marlene during the time I worked at Goliger's, it was more of a family setting than a place of employment. Marlene was always there for us ! Rest in Peace Marlene.

Big hug from all of us !

“ *Derek and Mark. I am so saddened to hear of Marlene's passing. Marlene and Derek hired me right out of college at the Travel agency they owned in Brantford Ontario for many years. I was so sad when you moved to Florida as you were both one of the best boss's I have ever had. Marlene was more like a friend/Mother than my boss
Rest in peace Marlene, you will be missed by your Canadian friends. hugs*

Derek, Mark and families, much like Brenda Marlene hired me over 30 years ago just shy of my college graduation. She was an amazing boss although she felt more like a friend and mother. She was caring, generous, funny and wonderful person, I truly missed her when you moved to Florida... but enjoyed our phone conversations from time to time. I will always cherish the decades of memories that I shared with her. Blessed to have known her. My deepest and most sincere condolences to you and your family. My thoughts and prayers are with you all. Rest In Peace Marlene, you will be missed !
