“ Marsha was one of the first friends I made after moving to Ocala. She would invite everyone to be part of a group that met Fridays, for dinner and fun. I used to call her our Cheerleader, because she was the one that held the group together and checked on us and cheered us on in life. So beautiful to look at and beautiful to know, she was the very heart and soul of our "crowd". What a great treasure we will be missing as she will leave a hole behind that cannot be filled. I am so grateful for the times I shared with Marsha. My deepest condolences to Lamar and all of Marsha's family and loved ones. Oh how I would love to hear that laugh one more time. Until we meet again.....

“ Marsha is a dear friend of mine, much more than a co-worker here at Triple Crown. I miss her infectious laugh and delightful spirit, I'm sad for us but happy for Jesus, I can just see her singing, dancing and laughing with Him. We are so fortunate He let us be a part of her life for as long as we were. My heart aches for her beautiful mom, sister and especially for the love of her life, Lamar. Know that you are loved by many. I will see you again my friend, I need my Marsha "fix", save me a place.:) I love you always, Brenda.
