

Marshall Ross Bowles Sr

November 25, 1955 - December 1, 2024

Marshall Ross Bowles, Sr., 69 of Ocala, Florida passed away on Sunday, December 1, 2024 at HCA Florida Hospital, Ocala. He was born on Friday, November 25, 1955, in Columbus, Ohio.

He was a proud United States Coast Guard veteran and a Free Mason.

Marshall received his degree from Ohio State University where he achieved multiple medals in the high dive and breaststroke. He worked at Port Everglades as a Facility Manager for South Florida Petroleum Services and retired as a Manager Marketing Services.

Marshall is survived by his wife, Micheline McMullen, his daughter, Jenny Sue Bowles, his stepson, and daughter, Mack McMullen and Jeanette McMullen, as well as a son-in-law, Dario Gomez.

He was preceded in death by sons, Marshall Ross Bowles, Jr. and Benjamin Bowles. He was also preceded to heaven by his mother, father, sister, aunts, uncles and beloved friends and family members.

While we have lost a beloved father and husband, many have lost a mentor, friend and loved one, the world has lost a legend. He has been an anchor to many, a master at sarcastic humor and witty timing to others.

The heart and strength of those that needed it. No matter what happened between you in your lives, once you were marked as important to him, he'd be by your side if you needed him. He may not have always found the words to say what was needed, he ALWAYS found the way to show it. He was a man of action. He was a talented man who created imagination for others to receive

and share. Please join us in remembering Marshall on Thursday, December 5th from 10-12 pm at Roberts Funeral Home West; 6241 SW State Road 200, Ocala Florida 34476, followed by services with military honors at Florida National Cemetery; 6502 SW 102nd Avenue, Bushnell, Florida 33513 at 1:30 pm.

“ I don't know if anyone will see this, but I just found the notice for Marshall. I knew him and his youth when he swam for the YMCA system in Columbus Ohio. My father was involved in coaching him and Marshall was my first crush. I know he was a sweet and loving man in his youth and can only imagine how that increased as he got older. He was very kind to me, as a pesky youth and a younger member of his swim team. It breaks my heart to hear that he's gone and I know it will do the same to my father. I was hoping to reconnect with him but will now have to do so in the afterlife. I'm sorry to his family for your loss.

“ Too many memories to just pick one, but Marsh is the first person I met when I moved to Florida. He was a great friend and I loved working with him. I always laughed when he made it a point to mix the drinks with his finger and he loved the desserts. I'll always remember the motor bike rides down A1A and Val cherishes the flower arrangement he once made for our home. RIP my friend.

“ My Cousin
Been too long since we visited or seen one another and now that won't happen. I remember as a kid driving to NJ for your Coast Guard graduation. Going up through Michigan to where you were stationed to visit you Little Marsh & Benji. Go with God and RIP my cousin.

“ Marsh was one of the authentic people I ever met. I was fortunate to get to know him when I financed his home. He was a funny, kind, loyal man. I always enjoyed speaking with him. Fair winds and following seas my friend, RIP.
