“ Thanking the Lord for the fellowship that Russ, Martha, Bob and I have shared for over 60 years--picnics when the children were small. Uno and Pizza when we were together in Florida. She was always there in time of need.

“ Martha was a dear friend and many nights we spoke on phone and talked religion and politics and never could be angry with each other even if we disagreed. In the short time I knew her for the past couple years she made me feel the comfort of the Mother I had lost many years ago. I will sadly miss our talks and her loving way. I know she is so much happier now with Russel in Heaven.. Peace to the family she so lovingly spoke of so many times. Linda you were her reason for living. God Be with you all. So sorry for this loss and yet I am happy she is no longer suffering. My Larry just got out of hospital this week so I am sorry we cannot attend but our thoughts and prayers are with you all.

“ My heart and prayers are with the family at this time. I had the honor of meeting Ms Martha while transporting her. She would share her secrets with me on how to have a successful marriage. I will forever remember the advice.
