

Martha Thornton

June 5, 1940 - January 12, 2021

Martha A. Thornton a.k.a Minnie (80) of The Villages, FL and previously of Miami, FL passed away peacefully on January 12th 2021. She was born in Spartanburg, South Carolina on June 5th, 1940. Martha was married for 62 years to her loving husband and partner in life Lloyd Thornton. They were married as high school sweethearts in Charleston, South Carolina on October 13, 1958. Martha spent 20 years as a Military spouse traveling the world following her husband to Harrogate UK, Tehran Iran, and Rome Italy to name a few. Upon retirement from banking Martha and Lloyd relocated to The Villages, Florida in 2004, where they have resided since. Martha was an avid cruiser, and had many wonderful adventures traveling the world with her husband and family. Martha had a strong opinion and was not afraid to express it. She will be missed for her great sense of humor and laughter. She was a smart, fun, bundle of energy. She had a great infatuation for Dachshunds and Pelicans, and a passion for dance and the piano. She was a proud villager and was successful in co-hosting an Army Supergroup reunion in 2019. Martha is survived by her daughter Ann Marie Thornton and son Lloyd Charles Thornton, grandsons Alexander Lloyd Maradiaga and Jonathan Edward Bosch (Sarah Dutton), and granddaughter Christine Thornton-Castro. Great granddaughters Rihannon Gilleon and Miliaha Castro. She joins her son James Richard Thornton and parents Rose and Charles Propes in heaven. We love you to the moon and back Martha. Mom. “ Dear my (Minnie) Martha I miss you miss you miss you. You were doing so well and so proud (me too) after a few days in rehab - doing ten to fifteen steps with the walker and starting to feel better. Then out entire 62 plus years took a Coney island roller coaster ride. I would be totally wiped out with sadness and sorrow if our daughter Annie and grandsons Jonathan and Alex were not here at this time as well as the many friends offering their support.

It hurt us all so much to see you in pain and suffering your last two days. I know you are watching and reading as I type this so I will say again, it was you that shot the cupid arrow in my heart on that 1957 fall day on the high school hayride (no, I will not put in print what you said to me as I sat on the roadside when the truck broke down) but that one little kiss you gave me was what did it, and I picture us both standing on the altar step in Blessed Sacrament Church on Monday October 13, 1958. We had a terrific life together as husband and wife and mother and father. I am sure you are now visiting with your parents and Jimmy - tell them hello for us and we will see them later too. I could ramble on and on but will keep this first one short - more notes will follow. I love you and always will. See you later too. Lloyd (Mickey).

“ Dear Mom, This still does not seem real, you left us to quickly. I'm so sorry you got so sick, but I know in the end you did not suffer. That what we wanted most for you, was to go in peace. We were so blessed to all be by your side, loving you, kissing you and holding your hand. I know you felt that love. I promise to take care of Dad, and help him get through these rough days one day at time. This is not Goodbye, but see you later. Rest Well in heaven as an Angel you are, Keep watch over all of us. I love you Mom.
If Roses Grow in Heaven, (By Dolores M. Garcia)
If roses grow in heaven, lord please pick a bunch for me.
Place them in my Mother's arms and tell her they're from me.
Tell her I love her and miss her, and when she turns to smile, place a kiss upon her cheek and hold her for a while.
Because remembering her is easy, I do it everyday, but there is a ache in my heart that will never go away.
