“ Dear Galloway family, I am deeply saddened by the news and extend my heartfelt sympathy to you. Marty was a great friend and encouragement to me for the very short time I knew him. He was fun-loving shipmate, had a big heart and every time since 1978 that I EVER heard mention of the University of Florida, Gainesville, FL, or the GATORS...I thought of my friend Marty. I am shocked and terribly saddened at this news. Although it's 6 years after Marty's passing, I remember talking with him just prior. I had finally contacted Marty via the internet on the anniversary (Thanksgiving eve) of totaling his Chevy Monza while stationed in Great Lakes, Ill. Marty worked temp at a gas station and lent his car to myself and Bruce, when a young driver slid on a slippery rural road and hit us head-on. It was devastating to have to call other shipmates to pick us up and take us back to Marty's station to tell him his car was totaled. This weekend (Feb 21, 2014) I found some Kodak slides I had taken of myself and Marty and finally decided to send them to him. I was "googling" Marty when I saw this obituary notice immediately.
