“ Aunt Mary, wish we could have visited more over the years. You were thought about often and will continue to be. Though you will be missed a lot, it's comforting to know you're no longer suffering and you are in Gods hands now ,best place anyone could hope for. You will now be reunited with family, including my dad, Curt , who I also miss terribly. God Bless always, Love you, Tina and Steve 🙏

Mom, Peggy, is also very sad that you're no longer with us. God Bless you always 🙏
