“*Mary Ann adopted me as a daughter when I was Kelly's roommate. Her and Chuck poured their hearts into loving us. I will never forget her creativity, sweet spirit, and gentle and fun laugh. My prayers are with the entire Bytheway family during this difficult time.*

“*My condolences to the Bytheway family. I met Mary Anne and Chuck through Kelly's friendship with my daughter, Caryl. We all shared an afternoon of laughter quite some time ago - memories that still bring a smile to my lips. I am so sorry for your loss, Linda Reyburn*

“*Aunt Mary meant the world to me! From as far back as I can remember I never doubted her love for me and I for her. How lucky my sister and I were to have two moms. When we looked at Aunt Mary we saw our mom and vice versa. Aunt Mary was the most courageous woman I have ever known! She was there for me when I needed her most. The void will be large, but her love will live inside me forever!*

“ Being a loyal parent, Mary Ann worked with other parents at St. Vincent Ferrer School during bazaars and other functions. I really enjoyed her company, so easy going and willing to pitch in for whatever we needed. I also enjoyed her sense of humor and the easy way she handled people. We, as neighbors, always enjoyed looking out our window right after Thanksgiving to see their yard and house already lit for Christmas. The family so enjoyed that! We missed that this year, and now we will especially miss Mary Ann. Our condolences to the children and grandchildren, and to Chuck, her devoted husband for so many years.
