“ I remember as a student at Parkview Elementary in Cookeville, Tn. my mother would drop me off early at school, and Mrs. Chaffin would always be there at the door to greet and let me inside the building before 7 am. She always had a smile and a kind word to say and would often tease me to get a laugh. She would often let me help her with things before school. I am saddened to hear of her passing, and wish my sincere condolences to the family.

“ Charlie, Donna and Lisa, We were so saddened when we heard that Fay had finally given up the fight and gone home. We remember all the good times our families have had together. Lisa, everytime we talked on the phone she "bragged" about her grandchildren, she adored both of them.
