“ Chuck, children, grandchildren, Greg & Delores, my heart goes out to each & every one of you. Allene, as I knew her....was one of the most precious ladies. We became friends during her visits to her Mother Mary Johnson, my beloved neighbor. We had beautiful conversations. She adored each & every one of you. She would want you each to continue to live, love & be happy, as that was the way she lived her life!! Prayers in the coming weeks & months for all of you. Ruby Davis

“ My dearest mother, you are so missed. Words can not describe the emptiness I feel without you here. I know that you are in the Loving Arms of Jesus and are in the most beautiful place that exists. You are free of pain and worry. You are at peace. Please don't worry about dad and Kathy, I have my arms wrapped tightly around them and will help them through this. You taught me how to endure, watching you go through the trials and triumphs throughout the years. Don't worry...I got this! I love you mommy and miss you so much. Please never leave my side, you know I will always need you to guide me. RIP my dearest mother, best friend, and confidant. I love you with all my heart! Cynthia Marie
