“ *My Beautiful Aunt: You were not only my aunt, you were my friend. We shared so many laughs together. I will miss our weekly talks on the phone, and will always remember our last visit together, the laughs and the time we shared. You have touched so many lives. Even at the end you were so brave in wanting to comfort us. Heaven is waiting. Find happiness with your brothers and sisters. You will always remain in our hearts. Love your niece Penny.*

“ Dearest Uncle John and all my cousins, Extending my deep, sincere and heartfelt sympathy in this time of sorrow. I would like to share with you some words written by Helen Steiner Rice that I read every now and again that has far more deeper meaning than we realize.... To walk with God by sacred streams amid beauty and peace beyond our dreams..For all who believe in the Risen Lord have been assured of this reward and death for them is just "graduation" to a higher realm of wide elevation. For life on earth is a transient affair, just a few brief years in which to prepare, for a life that is free from pain and tears where time is not counted by hours or years. For death is only the method God chose to colonize heaven with the souls proven worthy to dwell in the land of new birth...so death is not sad...it's a time for elation, a joyous transition...the soul's emigration into a place where the soul's SAFE AND FREE to live with God through ETERNITY ! May you find some comfort in these words..Aunt Mary is now in a place were there is no sufering or tears...she is pain free and is reunited with her other family members that have gone before her sharing a "new life". Aunt Mary took "our" love with her...but "her" love remains with us...she will always and forever be with us. Love, Marlene

“ Uncle John, Diane and all my cousins: Aunt Mary loved each of you so much. She told me often how blessed she was for the beautiful family God gave to her. Know that she is in peace and because of each of you her life was fulfilled. This is a difficult time...but she is where she is needed the most. I love you all.. Penny

“ My Dearest Aunt Mary, You have touched some many lives with unconditional love and will forever be in my heart, thoughts and prayers. You are in a better place amongst your "other" family members and I'm sure Uncle Frank was there to accompany you along the way. We were all so blessed, honored and grateful to have had you in our lives as our lives were so much better for having had you in it. The wonderful memories and love will sustain us ...I think I can honestly say for all of us...whenever we think of you, there will always be a smile on our faces.. we were touched by an "angel" and that angel's name was and is...Mary DeRazza. Your loving niece, Marlene
