

Mary Sue Douglass

January 31, 1951 - February 26, 2024

Mary Sue (MS) Douglass, 73 of Ocala, FL, passed away on February 26th, 2024. Mary Sue was born in Orlando Florida to Dr. Frank Lawton Douglass and Virginia Reid Douglass on January 31st, 1951. She went to Umatilla High School in Umatilla Florida and graduated in 1969. She went on to earn a Bachelor's Degree from Florida State University. She worked as an English/Language Arts teacher in Marion County for over thirty years and finally retired after touching the lives of over a thousand young students. She enjoyed the beach, reading, music, art, growing plants, shopping, and her latest hobby, thrifting. If you knew Mary Sue, you know that everything is better in Italy or from Italy and that anytime the Florida State Seminoles were playing whether it be football, basketball, baseball, etc...she was wearing her FSU gear and cheering on her beloved Noles. Mary Sue had a spark about her, that you couldn't deny. She turned heads when she walked into a room with her striking looks and unique sense of style and fashion. She never met a stranger, was full of life, always up for a good time, and forever ready for the next adventure. She had a way of making everyone she met feel special and everything she touched beautiful. Her smile and laugh could light up a room. She is quite simply - unforgettable. She is survived by her daughter Victoria L. Barkley and son-in-law Richard J. Barkley of Ocala; grandchildren Jarrod T. Barkley and Lauryn O. Barkley of Ocala; great-granddaughter Haydin Barkley of Ocala; life partner Richie Feldman of Orlando, FL; sister Virginia Hope Simons and brother-in-law Robert L. Simons of Summerville, SC; nephew

“ I had the honor of teaching with Mary Sue for many years at FKMS. Mary Sue was one of our FKMS OGs. She was, of course, smart, knowledgeable, and professional, but it was her personality and character that made her so special to all. Mary Sue had a wonderful sense of humor, and she made the world of all of us a more fun place to be! She lived by a code of loyalty, honesty, and acceptance. These qualities not only positively impacted the lives of her students but also the lives of her colleagues and friends. Thank you, Mary Sue! Our world has been made a better place because of you! My thoughts and prayers to Mary Sue’s family and friends.
