March 9, 1952 - June 22, 2020

Mary Jo Farnsworth (Wilson), left this Earth to join her Father, John, and Mother, Doris Wilson, and her sister, Carol Wilson. She is survived by two brothers, Richard Wilson and Jack Wilson. On May 22nd, she was surrounded by her four children, Shawn Bakkila, Kelly Graham, Anthony and Johnathon Aspiranti. She started her love for the medical field at Beaumont Hospital in Royal Oak, MI. When she was not working hard as an LPN, she enjoyed relaxing with her three sons and daughter. She would take her kids camping with the dogs, and she also fell in love with Newfoundland dogs. She would breed and show them. She has taught her daughter and two grandchildren about her love for gardening. She loved going to the beach with her two grandchildren. She loved to travel around the country to see her children, from Washington to Florida.
