

Mary Garland

December 31, 1969 - June 1, 2012

Obituary of Mary Garland My mother Mary R. Garland was a wonderful woman. Through out my life she taught me so much. I sit here with tears falling from my face in disbelief that she has been taken away so soon. She meant the world to me, my wife and to her grandsons Logan and Mason. I know that Logan will miss her dearly but will cherish all the times that they did have together. We have told him that he is to remember all the good things that they did together and to keep her in his heart. She always said to him and I that she will always be in our hearts. My heart aches right now but I still know that she is there, I know that she has gone on to greener and better pastures. I know that right now she is trotting along up there with her horses and smiling down on us. She will be missed by many. I know through out her life time she has touched many and brought happiness to many. I love you with all my heart mom and not a day goes by we won't think of you. Love your son
Always and Forever, Andrew

“ *In life we have trials and tribulations. But life is so short to let things pull you apart. Deal with life as if it were your last day. I have known Mary a very long time. She never let anyone mess with her son or her horses. I remember one event that I did with her where a smart a** kid thought he was cute and started beating a drum on the side of Doc. He was not a happy camper, Mary got Doc calmed down and chased that boy down like there was no tomorrow. She actually talked with the band director and made a deal where the boy had to be a pooper scooper or something. I don't exactly remember what he had to do but it was quite funny. You really had to be there. I had a lot of adventures with Mary and had a great time doing it. May you rest in peace and guide Andrew and Heather with the boys through their life. I will be here for you if you need me Andrew. Always,
Cindy*

“ I'd like to thank all these wonderful friends, of my daughter, Mary Rachel. for the beautiful comments they have left here. It is with deep gratitude when I read them. Thank you so very much for being her friend and the joy that I'm sure your friendship brought into her life. I love her so very very much and miss her terribly, but I am so thankful for the promise we have in the Bible, that we shall be together again one day in our Heavenly home. I know that she will be right there at Heaven's door to greet us with that beautiful smile of hers! God bless each one of you for taking the time to sign in here. With Love and Appreciation, Mary H. “ I am so very sorry, I don't know how or why but she was a beautiful young lady. I am shocked. We did not get to work together but I just feel really sad about it. To the family, my sincere condolences.

“ Andrew and family, I was very sorry to read of your mother's passing. Back when she was in high school, I hired her to be the very first "ice cream girl" at Shaw's Ridge Farm. Mr. Shaw had always hired "ice cream boys," so she proved that a young lady could do a great job too. I remember a smile always being on her face, no matter what had to be done. You are all in my prayers.
Sincerely, Geoff Titherington Bonanza Steakhouse Sanford, ME

“ When I heard the news Mary had passed away, I could not believe it. I am still so sadden and my sympathy to all her family. My friend Katie and I did all the events on the square and Mary was always there. When I called upon her to be part of a Chamber evednt, she never said no...even bringing her horses and carriage sleigh to a Memberhip Victory party at my home in Citra. The Rainbow Bridge in heaven awaits her and she will be reunited with all the beautiful horses in her life. Rest in peace dear lady.

“ Andrew , family and friends. God has called her home and God's blessing is to carry on her dream in our hearts. May our memories with Mary carry us forward to achieve those dreams. My friend opened her heart and home to me and inspired me with her kindness, knowledge and "drive" to live life. Mary came into my life and unknowingly accepted me, this horse loving stranger from Ca, She was a wonderful teacher, patient and kind. She opened her heart and we laughed and enjoyed each other's company. I will always be inspired by her determination and loyalty. I will truely miss my friend. Jackie

“ I am so sorry to hear of Mary;s passing. Although I didnt know her well, everytime I seen her she was so joyful and full of smiles. I lost my mother almost 2 years ago, unexpectantly as well. My heart goes out to you and your family. I think losing my mother was the hardest thing I have ever endured. You and your family will be in my thoughts and prayers. Remember her happy doing what she loved to do, now you have an angel watching you from above. May God, hold you and comfort you and give you peace knowing that He is taking care of your mom now.

“ I was so shocked to first hear that Mary was sick in the hospital last week, then that she had passed, so suddenly, so tragically, too soon. She and I only actually met face to face once, but we talked on the phone many times over the years. She was instrumental in making my dream of a horse and carriage business come true. She had so many ideas and suggestions that I took to heart. She always seemed so upbeat and helpful. I recently lost my father in December, so I can empathize with Mary's family's loss. I am so sorry, but know that she touched so many people and will be remembered in their hearts. God bless.

“ You would always say "we're not here for a long time but we're here for a good time" and you lived up to every word of that statement. You were my mentor, my friend, and my 2nd mother. Ill miss the way we lovingly teased each other from time to time and our mini road trips. We didnt always know where we were going but we always managed to have fun. I miss you so much already and I know you'll be waiting for me on the other side with a horse and carriage ready to put me back to work! Im sure we could do a lot of tours in heaven. I love you so much and I will never forget the impact you made on my life. Rest in peace.

“ I'm so sad to hear about the loss of Mary or Auntie as I called her as a child. My mom and her were the best of friends growing up and she was a huge part of my life as a child. I have so many fond memories of her. Such as; spending time with her in Maine on her farm, going on sleigh rides and carriage rides, helping out around the farm and the fun sleep overs we would have. I wish I was able to spend more time with her over the past few years. She will always have a special place in my heart. I love you Auntie. Rest peacefully

“ *Mary Rachel was my hero as a kid. She was the cool older cousin that could drive, and we loved it when she'd take Carolyn and I out to the Maine Mall in her VW Beetle. We always had a blast together. As a kid, I thought it was an honor that she asked me to be the ringbearer in her wedding. (I remember that powder blue tuxedo vividly!) We lost touch when she left Maine, but I was happy to get reconnected to her on Facebook a couple years back. I wish I had been given a chance to see her in person one more time. I hope she knows I loved her and I missed her laugh and sense of fun and adventure.*
