“ MOM We love you and miss you and know you are at peace -in a beautiful place. We are so grateful to have you as a mom and grandmother. I am proud of how wonderful you spent the last few months- making your way through those moments, and I am happy that I was able to be with you, taking care of you, sharing time, laughing, crying and supporting you through it all. We know how strong you are and your will was amazing. "I love you with all my heart..always and forever .. no matter what" keep watch over us all, and know we are always together! xoxoxoxox
