

Mary Maynard Humphrey

July 12, 1938 - May 12, 2026

Mary was born in Galveston Texas to parents Louis Humphrey and Annie Lee Nichols Humphrey. She was predeceased by her parents and 5 older siblings: Julia Barnes, Marjorie Huddleston, Charles Humphrey, John Humphrey, and Patricia Shephard.

Mary, or "Mimi" as she was known, moved with her family from Texas to Ocklawaha, FL in 1942. She graduated from Lake Weir High School and attended the University of Florida.

Mimi was an avid Gator Fan. Her love for the Gators was equally matched by her love of her many feline friends; not the least of which was her last feline companion, "Rusty". He gave her countless hours of pleasure before passing in 2024.

Mimi was an avid reader, enjoyed traveling, treasured her time living in San Francisco as a young woman working at Wells Fargo. She enjoyed the sights of the Great Northwest, San Francisco's Chinatown and visiting her sister who lived in Palo Alto.

She returned to Florida in 1968 to be near family who she loved dearly and supported in any way she could. Upon returning to Florida, she worked for Fla Seed and Feed and then Rowe and Newberry in bookkeeping; retiring in

2008.

Mimi will always be remembered for her generosity and thoughtfulness to her dear friends and many nieces and nephews; by whom she was loved and will be greatly missed.

Mary was of the Methodist faith.

“*Mary was such a kind soul. She was always happy, and even through her health struggles, her kindness never wavered. She was truly enjoyable to talk with, and although I didn't get to see her often, I will always cherish the time I did have with her. I am saddened by her passing, but comforted knowing she is reunited with her brothers and sisters once again.*”
