“ Many loving and wonderful memories of Aunt Mary Lou. Her and Uncle Johnny would always visit us on the farm in Killmaster when they were up north. They would play cards with my parents until late at night and often early in the morning (almost till sunrise). She always took the time to visit with her nieces and nephews. Every conversation with us was so sincere, she really cared about us. You are in Heaven.

“ Aunt Mary Lou was the most awesome aunt to me. She always spent time with me when they would come up to visit. She would make a point to go out and play ball/ catch with me. We would walk around the farm and talk . She was always such a happy person that just made me smile :-). She will be greatly missed but now she is in heaven with the rest of the family that went before her . May God be with her and bless the family with the peace that passes understanding in this time of grief. I love you all xoxoxo

“ Loved Aunt Mary Lou! I don't ever remember seeing her without a smile. I can remember her voice. I remember being up north with a friend for a couple of weeks. During that time my friend's mom was having surgery and my friend was nervous about it, she cried. Aunt Mary Lou and Uncle Johnny was there. Aunt Mary Lou went into the bedroom at Grandma Miks' and talked with her. I don't know what she said, but it helped a lot. Linda, wish we weren't spread all around in other states. Just know we're praying for you.
