“ Dear Family of Janet, I moved to Ocala two years ago and Janet was one of the first people I met and got to know. I stopped in at Brick City Cross Stitch hoping to connect with fellow cross stitchers. She and her friend Peggy immediately made me feel right at home. Janet was one of those rare people in this world that always left you feeling uplifted and happy for having spent time with her. She always made me laugh even during the times I was going through struggles with my mother's illness (Parkinson's). My mother lost her battle in December so I have an idea of what you are going through. Her obituarty is also on this website. (Marilyn Ferch). It will be a privelege to attend her funeral mass on Saturday. My deepest sympathies and prayers go out to all those she loved and who loved her. Eileen Bende
