“ *I’m so sorry to hear of Mary Ann’s passing. I was not aware until yesterday and I send my most sensitive condolences. I’ve known Mary Ann for over 30 years and she was a very determined and mindful person. Once she made the decision to improve her well being, she changed the trajectory of her life and never looked back. We worked together at Spectrum Programs for many years and spent a lot of time sharing, talking and laughing and I always had a great admiration for her. I watched her grow and own her life in a way that was inspiring and she was a role model for many.*

*On behalf of all those who knew her, who do not know she passed, I say that she was deeply cared for and highly respected. My heart goes out to all those who loved and cared for her and please know that she will always be remembered and loved by the many people she touched along her journey.*

*Sincerely, Eileen Carlan*
