“ To Bab's and Family, my heart full of love goes out to you and your family at your time of loss. I only knew Mary for a short time, but in that time I can honestly state I made good friends. We are not one to question why, just know Our God is to just to make any mistakes. He will fill your void with love and understanding. If there is anything I can do for you please do not hesitate to contact me. Much love,
