*I will always remember your love of fried flounder, gambling and playing cards ❤️ And how your smile and laugh would light up a room. I hope you are enjoying an amaretto sour with Grandpa. I love you ❤️*

“ *Mom*

*I never thought I would feel so heart broken as I feel now from losing you. I miss hearing your voice, seeing your smile, and always having such a caring heart for everyone. You will always hold a special place in my heart and you were the best mom and friend ever. I'll always remember our gambling days and I'll never forget how honored I was to care for you and be with you while your last weeks at home. There is when I realized how much I was going to miss you. I love you forever and until I see you again I'll hold you in my heart.*

“ Dear Mom,

*Death has taken you to a beautiful place called Heaven. I hope you are watching me from wherever you are. No one ever loved me the way you used to do.*

*The beautiful memories of the times we've spent together make me smile, only until the moment when they eventually remind me that you're no longer here. I miss you.*

*I've always wished for a guardian angel who would look over me and my family from the Heavens above. I never knew that it would be you who would make my wish come true. I miss you.*

*You were a wonderful wife to my father, a caring mother to me and the greatest grandma of all time to my children. We all love you and miss you so much!*

*Love,  
Pat & Les*

“ Dear Family Members,

*May the loving memories of your Mother help you through this time. We are grateful for the relationship we had with Grandma and for all the memories we were able to share with her. From my early childhood in Carteret, to spending summers in Ocala during our teenage years, to Grandma visiting New Jersey for many celebrations, and to seeing her in Florida when we all would vacation together.*

*Grandma's care, concern, love, and nurture are something that we will always hold close our hearts.*

*Love always,  
Les, Jackie, Andrew and Jimmy*
