“ *Grandma, My Deedee, this is for You! "Snowflake" Snowflakes form and snowflakes fall. Crystalline beauty represents life which you have given to us all. Nobody respects the love you have given me more than I. If only I could wipe away the raindrops falling from your eyes. sacrifices have been made for the wellbeing of your seed. But some don't understand it so it only makes them seeth. May you be endowed with all the light and love the Lord has to offer. May your soul be at rest untill I meet you in a peaceful eternal slumber I will love you always!*

“ To my family, I want to share these prayers with you, for these are the prayers I had shared with Mom. So let us rejoice together in prayer as we say, "The Lord's Prayer", Mathew 6:6-13, "The Shephards Prayer", Psalm 23, and "To every thing there is a season, and a time to every purpose under the heavens", Eccleciastes 3:1-8. So always remember my brothers, sisters, our sons and daughters, "In Power and Knowledge, God is Supreme". Ecclesiastes 3:11. May God Bless You All with Peace & Love Always!

“ *To the Walker Family So sorry I unable to attend the service with you all, but do know that my and my family's heart go out to you all. She is at peace and without pain and suffering. You had her for a very long time, enough to witness four generations. She is gone, but not forgotten. I loved her as if she belonged to me too. May God bless each and every one of you, and STAY connected and encouraged! I love you all.*

“ Many knew her as Mathilda, Mrs. Walker, or Mommy, but I knew her as DeeDe. She was my DeeDe. I am so proud and blessed to say that I am part of her. I will never forget her for she is the reason for who I am...I love you DeeDe I will carry you with me always. Thank you for the gift of love, now you're sharing it up above. You had many things to say. All in a caring way. You always saw good in everyone, No matter what they've done. You were always the one we could all lean on. Even though it must have felt like a ton. You were always the strength of the family. Now we must let you rest calmly. As we say goodbye, as tears roll down our eyes. I know your place in heaven has a good view. Because you're telling God, I need to keep an eye on the crew. I know you will always be in our hearts and mind. So DeeDe, I must go, but I'll never forget you're one of a kind. Love, Nicole Walker

“ for Joe and I to tell you what she meant to us could never be possible. We have done many wonderful things with mom and she was a dear friend. She had a wonderful sense of humor yet she was so very wise. Wonderful stories of Trinidad her home she loved so dearly. She loved her children so very much and always was concerned for each and every ones well being. We heard all about the grandchildren and their giftings. She was one proud mother and grandmother. But the most special part is ow she was to us. Joe and I couldn't of ask for a more dear friend that we both love just like our own mother. We have fellowshipped many many years and had just as much fun together doing things. She was quite the dancer and singer. We all know the hard times she endured but she came with a big ole smile. Always a part of our hearts she will always be, just a though then comes the smile. We are honored to have been part of her life. Blessings and love
