“ Dearest Maxooo in heaven. You were my biggest supporter when I was stationed overseas for so many years. I knew if I needed anything, just anything, I could call on you for advice and help. I will miss you so much, but I know you are now getting your eternal rest. Rest in Peace, my friend and fellow humanitarian.

“ My sincere sympathies at your loss. Max was an early supporter of my efforts to start RestoringVision over 20 years ago. If not for him and people like him, our nonprofit would not have succeeded. He gave me inspiration and counsel when I wasn't sure we were on the right path. He made a difference in many lives. Sincerely, Mark Sachs
