“ *Bruce, I am changing the rules to the "guest book" thing. I just miss you soooo much and want to talk with you again, about "best friend" stuff. You will always be my one and only BFA-no one could ever fill your shoes in my life as my bestest bud. I am thinking about starting a journal where I write to you. That way, Ricky and your family won't think I've gone "wacko" writing to you in this guest book. I'll love you always! Love Suester P.S. I am planning to call Ricky and the boys(xoxo) again soon. Sometimes, I just don't know what to say.*

“ *The Strahan family wishes to express our condolences to the Dee family. Ricky was such a great help when my brother passed a few years ago I don't think I can ever make that up. We wish that through this tragedy that great things will follow Ricky, Dalton and Connor Dee. Ricky is family to me and always will be and I hope I can repay him one day for all he has done for me. I wish I could be there Saturday in person but I will be there in spirit and will always be there for the Dee family. Jimmy Strahan*

“ No one deserved peace more than Melinda. I believe that with the help of family and friends those left behind will find the keys to a future of happiness and fulfillment. I've just gotten to know the wonderful support group from the Ocala family who will be a lifetime treasure for Dalton and Connor. I know the Dee family and Rick's closest friends will be there for the good times and when dark clouds are hovering around. Be strong and Together we'll get through. Peace, Andy Preston
