“ Our thoughts and prayers are with you and your families. We pray the Lord will continue to hold you in the palm of his hand as he did your dad. Remember the times he made you laugh because he wants to see your smiling faces and your tears turning to joy.

“ So sorry to hear of the passing of Mel. He was a very nice and respectable man. Since I first met Mel and Etta at Camp Mataponi, I knew I was blessed to have known such a good soul. Though we shall miss him, He is in eternal bliss and someday we will see him again. And we will trade in our tears of sorrow for tears of happiness. I will be praying for you Etta and the whole family. God bless you all.

“ *Mere words are not enough to express the impact that your husband/dad/coach had on the lives in his family, friends, and students. He definitely lived a life worth every celebration on earth. Please accept my condolences as you lay him to rest and remember all of the special moments that you all shared.*
