“ My daddy was a kind gentle man who would do anything for anyone. I see me and him fishing and him teaching me what to do and how to do it. I know he would have loved to walk me down the aisle but i know he can watch me from where he is. He will guide me to through what is coming in the future and what will happen. I cant wait too see what the future will hold and i cant wait for the day to see you again and see he smile and hug he so tight. I love you daddy and i will miss you so much but this doesn't mean goodbye. It means until then

“ My Nephew/ My Son. Mikie and I had a special bond from the moment his life started , the wonderful memories I have in my heart I could talk about and never have enough time to tell them all. His smile and laugh was so infectious. When he smiled all smiled , when he laughed all laughed. I remember when his first daughter Melodie was born he was so proud. He said aunt Tres I'm going to be the best father you've ever seen. Watch I'm going to proof it. And proudly he showed me, Melodie who just turn 16 , I know she knows how much her daddy. Loved her and will always! And has many wonderful features. Especially her kind unselfish heart which makes me think of mikie. Who always put others ahead of his self, and felt it was his duty in life to take of and make others happy. No matter what effect it had on him never did he put himself first. I know within a short time before his passing , he had a fiancée, baby daughter and loved a young man as if he was his own. Mikie will always be with each and everyone of us. I am thanking God for blessing me with 41 years of memories of such a Great nephew. Love always.

“ I remember the first time I met Mike. He was so easy to talk to and would do anything for anyone. When we first started talking before dating, I was so nervous about telling my son, as he never had a father in his life. Ryan instantly said he couldn't wait to have a daddy. That warmed my heart and Mike stepped right in to take that role. I knew then, he would be a great daddy if we ever added to the family. On Father's Day, I gave Mike the best news. That he was gonna be a daddy again. We both wanted 1 more. He was at every dr appt holding my hand. The day we brought Khloie into the world was by far amazing. He kept telling me she was gorgeous and had a head full of hair. I'll forever have an amazing Valentine's Day even though you're not with me anymore because of our beautiful daughter. I love you more than words can say handsome!! I want to wake up from this horrible dream. Until we meet again babe. We love you and miss you dearly

“ I'll always remember Mikie's laugh and smile he was a gentle giant who loved with all his heart if you ever needed help he was there to help and asked for nothing in return . I watched him grow to be a great man. He was taken way too soon from our lives but from heaven I'm sure he's watching over his girls and his mom and his entire family. You may be gone but never forgotten I love you Mikie. Your aunt Rhonda

“ Mickey was always loved not just by his friends but by his family. Mickey was a type of man that would do anything and everything for his family. He was always worrying about everyone else instead of himself. Mickey leaves behind two daughters that will miss him, his mom, brothers and his niece's and he also leaves behind so much more. To Mickey family was more important to him then anything. Mickey passed away because of how much he cared and loved his family. I have known mickey for many of year. He's always the type of person that you could go talk to of you need help with anything and everything. To me uncle Mickey will always be in my heart he was an amazing and kind hearted person that anyone could have. I am proud to call him my uncle. I will Miss him so much and love but at least he is watching over us now. I can't wait to see you again one day. Love Tiffany Mott
