“ Let God replace your grief with hope - your anxiety with peace. Wishing Mike's family peace. May the love and caring expressions and deeds of family and friends help soften your sadness. I hope thinking back on all your fond memories brings each of you some comfort. May the Bible's promise that one day, in the near future, you will be re-united with your beloved Mike bring you hope and give you peace, for John 5:28,29 assures you, "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice (the voice of Jesus) and Come Out..."

“ Mike....shew. I was shocked to hear of your passing. You were at our house growing up as much as my blood brothers. I felt as though you were my brother. I love you and love your family. Our families were so close growing up. I will never forget you brother. My sincere condolences to Linda and Dianna and the rest of your family.
