“ Mike its been three years. I miss talking with you for hours about nothing. Wish we would have taking that trip to California, we would have got into a lot of trouble. Me and the guys get together for breakfast here and there and you are always brought up as if you were there. Life is too short but I loved every minute with you. Miss you Big time.

“ Although I haven't seen Mike over the years, I can attest that he was a great man! He is the example of a loving, unselfish family who took us "wayward, crazy" Long girls in after our mother passed away. Mike was my first boyfriend in 7th grade and you never forget your first boyfriend. Fortunately, he met a better person in 8th grade, Denise Giardini and was smart enough to marry her. I have connected with Stacy and Ashley over the last few years and they have Mike's charming personality. It was a privilege to know Mike. There will always be a special place in my heart for Mike. My deepest condolence to his family.

“ Mike is our Buddy, our Friend. We worked together, we rode together and we laughed together and we loved your company. When we needed help you were there for us, you were for many many years the best friend a person could have. Now we are so sad but you will live forever in our hearts and we know one day we will meet again. We heard the Harleys in Heaven are made of Gold and we know God gave Mike one. We send our Love and our deepest sympathy to Mikes beloved family and we are always, Paul and Susan.

“ The RUSSELL FAMILY thought this Poem would give some peace this Holiday Season. "My First Christmas in Heaven" I see the countless Christmas trees around the world below, With tiny lights, like heaven's stars, reflecting on the snow. The sight is so spectacular, please wipe away that tear. For I am spending Christmas with Jesus Christ this year. I hear the many Christmas songs that people hold so dear, But the sounds of music can't compare with the Christmas choir up here. I have no words to tell you the joy their voices bring, For it is beyond description to hear the angels sing. I know how much you miss me. I see the pain inside your heart. But I am not so far away. We really aren't apart. So be happy for me, dear ones. You know I hold you dear. And be glad I'm spending Christmas with Jesus Christ this year. I send you each a special gift from my heavenly home above. I send you each a memory of my undying love. After all, love is the gift, more precious than pure gold. It was always most important in the stories Jesus told. Please love and keep each other as my Father said to do. For I can't count the blessing or love He has for each of you. So have a Mercy Christmas and wipe away that tear. Remember, I'm spending Christmas with Jesus Christ this year.

“ Uncle Mike was like a dad to me. My father was not active in my life but I learned everything I could have learned from my Uncle Mike. He gave me advice about cars, talked with me about sports, and was such a good example of what a man should be and as a young woman and child that was so important to have. Whenever I went to visit him and my cousins/aunt he was always the first one to greet you at the door. When you saw Uncle Mike, you knew you would have a good time and laugh. I miss him so much but I know he is in a better place. I love you!

“ Uncle Mike was a very sweet, kind, loving, hard working man. He always had a joke or a funny impression when we saw him. I regret not getting to see him very often since we live far away. He was a great Uncle and he will be greatly missed. I wish I could come to the memorial but I will be with you in spirit. Love you all!

“ Our sympathy and love go out to the Curnutt family. There is an emptiness that only those who have lost a close relative can understand. Although we know that death is certain, it is still hard to accept. May your memories be a source of comfort at this difficult time.
