Michael was born in Birmingham, Alabama to Robert and Virginia MacLennan on 5/3/1949. He completed his bachelor's degree at Florida International University and later taught as a high school teacher at Marion County Public Schools, in the Virtual School. After retiring, he enjoyed working out with friends and gardening in his spare time.

He is survived by his brother John MacLennan, niece Julie, nephew Scott (Cynthia). He was predeceased by parents Robert H. and Virginia E MacLennan, sister Sherrill D. Lamb, Brother-in-law Fred A Lamb, Sister-in-law Linda, and nephew Sean T Dunn.

Michael will be cremated, and no services are planned at this time.

Michael, "Mac" to his friends, enjoyed being with friends, helping neighbors and caring for his yard. In his own special way, he lit up many lives. His biggest achievement was being sober for over 37 years thru his active membership in Alcoholics Anonymous. Saving himself had also allowed for him to save many more than we could count from alcohol addiction.

In lieu of flowers, feel free to make a donation in remembrance of "Mac" to the following organizations in which held a warm place in his heart: Alcoholics Anonymous, Wounded Warriors Project, St. Judes Children Hospital, and The ASPCA (American Society for the Prevention of Cruelty to Animals).

So long Mac, now it's your time to enjoy Mac World with your creator!
