“ *This would be the last call for his service. May the team sign him off the air. He has faced his last bad guy. Nothing but good is in his future now. Or Lord God has called him home to be with him now. Is a great man. He will be missed! He was the man that got me involved in law enforcement. Sure wish I could return to those days. Just like tell him what difference he made in my life. Thank you Sir rest in peace*
