“ *What a shock to find this. Michael, I was always looking for your name in show results, and remembered the time you trained my horse, Yo fondly. You were so so good at what you did. Remember the time I groomed for you at Syracuse? LOL the hotel with only one room, so we had to share? My attempt to braid Hamilton? Oh the look on your face was priceless... You were so kind to let me work off the lessons and the training... Thanks you. Tony, and Michaels family, I am so sorry for your loss. Michael will be missed but will always be remembered well.*

“ Tony, Carol, Grandma and Alysia I am so sorry for your loss of your dear son, brother and life partner. Even though I haven't spoken to Michael in a long time I will never forget him, he taught me a great deal about the horses, be a true horseman and how to laugh when life gives you lemons, Vodka please!!!! I know he is now in a better place and at peace, I'm sure by now he has found Smoke in the great stable in the sky and he just won the Big Class he always dreamed of winning. Hugs to all and call if you need anything, I will always be there for you. Love you and Miss you Michael
