

Michael Lewandowski

April 2, 1947 - December 1, 2021

Michael Lewandowski, born April 2, 1947 in Kalamazoo, Michigan, passed away December 1, 2021 at his home in Ocala, Florida.

74 years is a less than average life span, Mike did not live an average life. Mike was a high school wrestling state champ. He went to college and then Vietnam; compliments of the US Army.

Mike became a Minister in Florida where he opened the Lamb of God ministries and Recovery Centers to help those in need.

He drank pickle juice, gambled, loved horses, fast cars and faster women (mostly blondes), but his true love was 8-pound Anna, his service dog.

He was a true man of contradictions and a firm believer that it only costs a little more to go first class.

Mike did not want a service, instead just stop in at a local VFW and have a toast in his honor or just thank a fellow veteran.

He was preceded in death by both parents; Bruno Michael Lewandowski and Rose Marie Jerry Lewandowski

Mike is survived by his favorite daughter, Brooke Nichole Tompkins (Daniel); coolest Lewandowski brothers, David, John (Maureen), Jeff (Beth); and a variety of grandchildren and great grandchildren to embellish his memory.

“ First time my husband and I went to hear Mike speak, we weren't impressed, maybe his voice? (Smile) We were going to leave at the break. Then "Mike" says "I will be sharing my testimony about My Lai Massacre. Well, we were NOT going to miss that! From that moment on, we loved that crazy loving man Mike. We walked through some different things in each of our lives, BUT, always leaning and trusting JESUS. We kinda lost contact when he move to Ocala, but he seemed to be very happy there. Who evere wrote his Obit. did an awesome job. Since he wasn't on FB, we thought he had gone. HOME. We, just had no idea when. We are so thankful to have known him. Also, the FUNNY story about him selling Bibles to people who had already passed. He would go to the family home and would always make the sale!

“ My beautiful friend of over 30 years, I only just checked your Facebook page since you had a recent bday to find you went home to be with Jesus. I can hardly catch my breath, but I know you would scold me and call me "ye of little faith." My heart is broken. I will see you in the Celestial City. Please wait for me at the gate. Love you always.
