“ Mike and I had great misadventures during our misspent youth. He was witty, bright, and a lot of fun to run around with. Some of my fondest memories of being an awkward outsider as a teenage were how Mike made me feel welcomed and valued. Godspeed, good friend. May your journey be filled with the peace and enjoyment you so richly deserve.

“ Mike was a great friend. We spent a lot of time together back in Jr HS and High School in St Augustine during the 1970s. He was very smart, witty and had a great sense of humor. He was so fun to be around. I'm shocked and terribly saddened by his untimely death. My thoughts and prayers go out to his family members. He was a bright light in this world.
