“ He was always this wild fun man that made us laugh so much as kids! He loved his wife and his children very much. The last time I saw him he gave me a big hug and said I looked like my mom and that made me smile.

“ Mike even though we had just met I really enjoyed the time we spent talking and sharing memories of our welding careers, I could tell you were a very passionate man when you told me and I quote (Bill I have had a glorious glorious life), I could also tell you were very proud of what you had accomplished. I knew I had met a friend. May you rest in peace Mike
