“*I am so sorry for the loss of Mike.
So glad I was on the boat last May with you, Mike. You were a superb helmsman thru out the trip. Not an easy responsibility but you handled it like a trooper.
We had some great chats on the boat especially when everyone went out for dinner and You, Jessie and I talked for four hours.
I am heartbroken, but think you could be in a better place.
I will never ever forget you.
Love You Mike*
