“ To the family and friends of Michelle. I knew her very briefly. But I could tell that she was very much loved. The death of a loved one is very difficult to accept and even harder to understand. However Jehovah the God of all comfort promises in Revelations 21:3,4 that soon death will be no more neither mourning nor outcry or pain the former things have passed away. I know she lived in pain. May these words provide you with a measure of comfort now and in the days ahead.

“ I want to send my sincere condolences to Michelle's family. Taken way too young, she was a beautiful girl with a beautiful heart. I knew her in her teenaged years. She was a trooper going through all that comes with being a teenaged girl. I am very sad knowing this beautiful soul has left us so soon. My sympathies.
