DS

“ I am so sorry to just now see this news. My family didnt know her well, but in 2007, she enabled our son with severe autism to get a great dog. He has been a wonderful source of comfort for these past years. We recently found out he had cancer, and I thought of looking her up to thank her for getting our family this wonderful gift and maybe to ask her advice. Im so sorry for her loved ones as well.
