“ *I'm a part-time keyboard musician in Gainesville. Met Mike at Lipham's Music Store up here in Gainesville, FL. Played him a song on a keyboard that I love by Night Ranger called "Good Bye", key of E. Mike had been framing on some acoustics when we first started to talk there. Such a sweet, kind, humble gentle soul. When he told me he did bass with the Nugent '81 tour, I was amazed and Mike kindly gave me his autograph. He so kindly said I had a good ear. I phoned later and was so shocked that his daughter Layla told me had had passed that I could not hold back the tears...the music ties people together big time for me.....Whenever I play "Good Bye" now, it's for Mike.My thoughts and prayers to his daughter Layla, his son Dylan, who, said Mike, plays his guitar like he was born doing it from nature, and to his wife. “ *Arlene and family; To an old friend,when we were young men we worked,fished and laughed together,I will always remember Mike,s laugh. Through moving and time we lost track of each other for about 27 years and about a year ago we reconnected through facebook of all places. Mike and I picked up right where we left off, I was planning a trip to Ocala in 2 weeks to visit Mike and Arlene,but it was not meant to be. Farewell my buddy until we meet again.*

“ Mike, played a mean, steady rockin bass, with a high spirited rock voice. He always looked and played like he belonged where he was. Home was his stage. Your talents and your fun personality will be missed. My thoughts and prayers go to your family.

“ when i was just a lil youngin' girl, let's say about 18 years ago, or so i was blessed with an amazing new friend who had coincidentally said that she... (like me!...) had just moved here from the MI snow! "well whuddayah know!?", we cried in surprise "...but i sure do miss that snow..." said the shared tear in our eyes. my blessed soul family you never turned me away, unconditionally welcoming my wanderin' spirit - a stray. i wish i could eloquently say, or even wholly convey, how your loving influence made me who i am today. mike and arlene - you always knew, there were plenny'o clue why i was perpetually running away to come over and hang out with you! labird and dill - thank you for being there... and for all your loving care my heartspace is so full, i am inevitably compelled to share!!! my gardner family here's my blessing to you while we sleep, his spirit's at play humanity weeps while the soul sways my sweet petite mother transcended at 59yrs as well 6 years ago - yet even i still fight with ego... here's my mini-mantra: "remember this body is merely a shell, a vessel for being pure energetic love, and this one doesn't kiss and tell! it simply is the infinite truth the soul never dies - as long as the music plays on. i love you all.

“ I do not even know what to say or where to begin. Mike was such a huge influence in my life...I had known Mike since 74/75. Even lived with him for a bit. He was always a caring and giving person with a personality that was like a shining star. His talents, smarts and humor were as special as could be. Even though Mike & his family were many miles away, I was so glad to still be in contact...my prayers are with Arlene, Layla & Dylan...Mike will be missed by all. God Bless!!!
