“ *Mama, It has been almost one year since your death but it still feels like yesterday. Now that spring has come I am really missing bringing you home with me. I am missing our times of sitting on the patio, you giving gardening tips and the joy you had playing with the tomatoes, peppers and green beans. Rest easy, I will continue to use all of those tips and think of you with every vegetable I pick. I love you so much, Patty Ann*

“ Sue, We are so sorry to hear about your Mom. She was a wonderful kind lady. When we would visit, she would always welcome us with open arms. I know she will be missed greatly by you and the family as well as friends. I know if it's possible, She and Granny are already shopping at heavens mall. Our prayer is that God's peace and confort will be with you all during this time of sorrow. Love and prayers, Gilbert & Deborah
