“Granny was a one of a kind. I love you and cherish every memory that I have of you. Though we will miss in body here on earth, you will forever be in our hearts and watching over us. I love you and so happy that you have been reunited with Granddaddy and other loved ones. Our Prayers have all been answered, she has finally arrived. The healing that had been delayed, has now been realized. Though we've had our sorrows, they can never compare. To what Jesus has in store for us, no language can share. If we could see you now, your walking streets of gold, if we could see you now, your standing tall and whole. If we could see you now we know that pain erased, if we could see you now we know you've seen his face. We wouldn't want you to ever leave that perfect place. If we could only see you now. Forever in my heart and memories, Gary Jr
