“ *Nana; thank you for all of our memories.*

She was one of the sweetest women I have ever had the privilege of getting to know.

She taught me how to love and allowed me to love her back.

I miss her so much.... Some days, I just drive by her house and reminisce of all of our memories.

Thank you for loving me and allowing me to love you.

There is not a day that goes by that I don't think about you.

Much love forever, my sweet Nana....
