“ It seems appropriate to put this in print.....This so portrays our Dad to a tee: "Who is that man with the gentle face. Who in his youth kept a hectic pace? To provide for his family all that he could. Who is that man so giving and good. Who is that man with the ready smile. Who always took the time to sit for awhile? Who is that man who encouraged us all. And helped us up when we took a fall. Spending a lifetime extending his hand. Who is that kind, compassionate man? He was there when his family needed him there. Who is that man with the grey in his hair? Who is that man who we all adore. The man who these words of devotion are for? I'll tell with all of the love that I can, my Dad is that truly exceptional man!"
